Parents

Parents click [here](#) to access resources that support your child's learning!

Search by Age Groups to find books appropriate to your child's reading age

Click on the book you would like to read.

Use the navigation arrows at the bottom of the screen to move through the book. There is also the option to use audio on some of the books if you would like to listen to one of the stories.

Once you have read a book, some have Activities to do. Click on the buttons at the top of page to do these.

There are books appropriate for children from Reception through to Year 6 and if your child is on Accelerated Reader, many are also possible to quiz on. To do this you need to search for the book title on your child's Accelerated Reader account.
